

PATENT

REMARKS

The Office has requested an election of species. In response to the election of species the claims have been amended to create a generic claim 19. Species 4 is elected, which is drawn to the electronic package having an interposer circuit, solder interconnect members, and package level interconnect members. Claims 35-38 and 41-46 are readable on species 4.

In summary, Applicant(s) have elected Species 4 for further prosecution and provisionally withdrawn the non-elected claims from consideration.

Respectfully submitted,
